

CERTIFICATE OF ACHIEVEMENT  
Advanced Shot Peening Course / L3

This certificate is issued to

Mr. Example

To certify that the above has participated in a MFN training course. The course lasted 8 hours. The participant had to pass a test in order to receive this certificate. The participant had to achieve a minimum of 70% in a written test to be awarded this certificate. The subjects tested can be found in the list below.

Expiration Date: April 2024

Subjects of the MFN Advanced Shot Peening Course / L3:

Residual Stresses & their Measurement, Fatigue & Stress Corrosion, Optimization of the Shot Peening Process, Shot Peening Process Improvement, Alternative Peening Technologies, Conducting a Shot Peening Audit

FAA  
Accepted Number  
C-IND-IM-120312-K-006-003  
MFN Advanced Shot Peening Course (8hrs)  
Provides for 8 hours IA Refresher Training under C-IND-IM-120312-K-006-003

Remark: All persons obtaining an optional FAA recognised "Certificate of Achievement" are listed online at [www.mfn.li/certificates](http://www.mfn.li/certificates)

Signature:   
Stefan Baiker, Dipl. Ing. HTL  
Publisher of MFN

Date of Training:  
April, 2022

Signature:   
Peter Beckherlengen  
Official MFN Trainer, Examiner
